Dear Hiring Manager,

My name is Shimol Khan. I have recently found this job posting from LinkedIn and I was thrilled to see an opportunity in Meedan.

I have been working in a Malaysian health based company for a year. My role is rails backend developer. I am ready to transition into a position that presents an exciting new set of challenges. I feel confident that my ability to work with Ruby on rails would enable me to ramp up quickly in this position so that I could begin making an impact as soon as possible.

For more information regarding my qualifications, see my attached resume. I would greatly appreciate an opportunity to discuss this position in more detail. Thank you for considering my application.

Sincerely,

Shimol Khan
